## 1. Introduction

On 15th May 2024, the Department of Political Science at Kandi Raj College had the opportunity to collaborate in and participate at a one-day seminar hosted by Berhampore Girls' College. The theme —“Gender Equality, Development Sustainability and Human Rights in India: Conceptualising the Pathways – The Challenges and the Opportunities”—addressed key issues in contemporary India and offered an ideal platform for academic learning, discussion, and student engagement.

## 2. College Participation and Contribution

As one of the collaborating institutions, Kandi Raj College contributed actively to the seminar's success. A group of enthusiastic students and dedicated faculty members represented our college at the event. Their presence not only reflected our academic commitment but also encouraged valuable inter-institutional exchange.

## 3. Student Paper Presentation

A proud moment for our college was the participation of **Ms. Saharina Begum**, a 4th semester Political Science Major, who presented her research paper during a technical session. Her paper was well-received and appreciated by both peers and senior academicians, highlighting the quality of academic inquiry nurtured at our institution.
