Notice

This is for the information of all concerned that candidates willing to get admission in this college in B.A./ B.Sc. 1st year Hons./Gen. , will have to follow the following procedure in order to validate their candidature for joining this institution.

Step 1 : The candidate receives an“SMS” from the college

Step 2 : The willing candidate then goes to the admission website and click on the “I Agree” button beside his/her name in the merit list

Step 3 : The candidate receives an “OTP” in his/her registered mobile number and input the same at the appropriate place.

This completes the validation process

Please also note that the validation process is absolutely necessary for all candidates willing to get admission in this institution.

It is also important to note that the above mentioned validation process does not guarantee admission in this institution, which will be strictly based on merit and availability of seats. This merely confirms that the candidate is still willing to get admitted in this institution.

Furthermore a candidate willing to validate his/her candidature must do so within a stipulated time frame of 48 (Forty Eight) hours of receiving the initial SMS after which the validation window closes permanently and the candidate forfeits his/her candidature.
