## **Action Taken on Feedback Analysis Report for Teacher, Student, Alumni and Employer 2017-18**

Kandi Raj College is located in Kandi, Murshidabad and affiliated under University of Kalyani. The Internal Quality Assurance Cell (IQAC) of the College has continuously been working on quality improvement and the betterment of student learning experiences. In order to analyze the lag areas of the college and scope for further improvement, feedback from various stakeholders have been received.

***The action taken report based on the summarized feedback report is as follows:***

- For dissemination of information, the college has adopted updated and modernized website which will be easier to navigate.
- The college conducts career guidance workshop/seminar annually to expose the students to industry environment.
- As suggested by the affiliating institution (University of Kalyani), the college is in the process of upgrading the infrastructural facility as per the recent upgraded curriculum requirements of the students.
- The college conducts annual Parents and Students orientation programme at the beginning of the academic session to promote healthier students-institution relationship.
- Since responses indicated that students felt their lecturers are knowledgeable, skilled, enthusiastic, committed, and prepared, the teachers are committed to make the lecturers more interesting by incorporating effective teaching methods and technologies to enhance student learning.
- The college has conducted students centric seminars, lectures, debates and quiz competition in addition to regular teaching.
- The students are also encouraged to participate in inter-college competitions.
- Continuous evaluation system is followed by the departments. The performances of the students are assessed. Accordingly, the teachers counsel the students to improve their writing skills and prepare for future examinations.
- The reading material books are updated as per the requirements of the curriculum.
- The college is in the process of upgrading the infrastructural IT facility.
