Feedback Analysis Report 2018-19

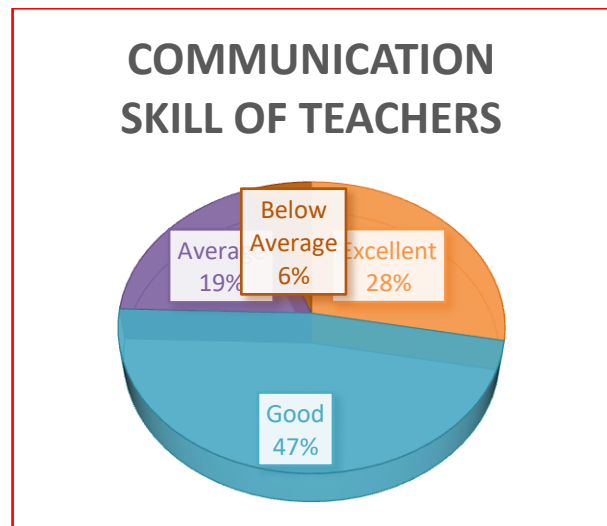

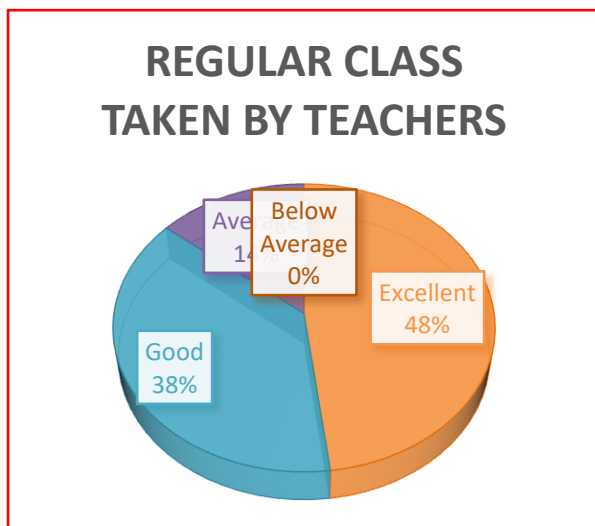

Kandi Raj College is located in Kandi, Murshidabad and affiliated under University of Kalyani. The Internal Quality Assurance Cell (IQAC) of the College has continuously been working on quality improvement and the betterment of student learning experiences. In order to analyze the lag areas of the college and scope for further improvement, feedback from various stakeholders have been received.

DATA COLLECTION AND ANALYSIS

The students' and Teachers' feedback are collected in offline mode. In continuation of that, 713 (out of 1942) students and 54 teachers responded in the current year. The students are advised to provide their feedback judiciously. Also feedback from Alumnus and Employers have been collected.

Students Feedback Data Analysis

The feedback enables every student to express their opinion on all aspects of the college. The questionnaire consists of 23 questions.

OBSERVATIONS

Overall the students are satisfied with the sincerity of the teachers in taking classes and the interest generated by them for each course.

- The accessibility of the teachers in and outside the class to address the needs of the students is found to be satisfactory to the respondents.
- Majority of the classes have been rated educative in nature where students are encouraged to participate freely during the lectures. Teachers are also found to be co-operative towards the students.
- The students are contented with the punctuality of teachers and regularity of lectures delivered in classes.
- The overall students-teachers relationship is quite satisfying.
- The facilities provided to the students such as hygienic and clean drinking water facility and maintenance of Toilets (Gents and Ladies separately), neat and clean class rooms are very helpful to them. Cleanliness of college premises and toilet has been reported to be good by more than 50% of the respondents
- Though the IT facility and Laboratory facility is being reflected as average.
- The responsiveness of office staff on dissemination of information at the time of admission of the students, university registration, payment of fees, collection of admit cards and collection of mark sheets have been rated to be good.
- The students complimented on Library facility including library resources and services and the library's physical and virtual environment.
- The syllabus of various courses is found to be helpful.
- Faculty strength in different departments is good with respect to student strength.
- The students also found the timings to be suitably flexible
- The working of the college canteen is found to be satisfactory in terms of cleanliness, menu, quality of food and the prices.
- Recreational activities throughout the year are good in number and fruitful also.
- The Grievances and redressal mechanism are in good working condition.
- There sports activities are limited as college has no own playground.
- Due to university academic structure, teachers don't get enough time to go through the total syllabus in the classroom.
- Being an affiliated college, teachers have no scope to develop the subject.
- However, the facilities of sufficient classroom, has been rated as "average" by majority of the students

ACTION TAKEN

The action taken report based on the summarized feedback report is as follows:

- For dissemination of information, the college has adopted updated and modernized website which will be easier to navigate.
- The college conducts career guidance workshop/seminar annually to expose the students to industry environment.
- As suggested by the affiliating institution (University of Kalyani), the college is in the process of upgrading the infrastructural facility as per the recent upgraded curriculum requirements of the students.
- The college conducts annual Parents and Students orientation programme at the beginning of the academic session to promote healthier students-institution relationship.
- College has taken steps to improve the It facilities.
- Special care has been taken to develop the Laboratory infrastructure.
- Since responses indicated that students felt their lecturers are knowledgeable, skilled, enthusiastic, committed, and prepared, the teachers are committed to make the lecturers more interesting by incorporating effective teaching methods and technologies to enhance student learning.
- The college has conducted students' centric seminars, lectures, debates and quiz competition in addition to regular teaching.
- The students are also encouraged to participate in inter-college competitions.
- The reading material books are updated as per the requirements of the curriculum.
